

Dear Oasis,

Greetings from Apollo Hospitals, New Delhi, India.

Thanks for your interest in our services.

Before finalizing the treatment plan, the patient will require detailed clinical evaluation at Apollo Hospital, New Delhi.

COST OF TREATMENT

Stage 1

Clinical evaluation and investigations

The cost will be approx. US \$ 1500 with 2 days hospital stay in a twin sharing room.

Stage 2

Surgery

The cost will be approx. US \$ 8500 with 6 days hospital stay in a twin sharing room.

Stage 3

Further treatment (post surgery) will depend upon the histopathology report and cost/duration of stay will be extra.

During the hospital stay (except ICU stay) 1 companion can stay complimentary with the patient.

During the post discharge, the patient/family will have to stay in a hotel/guest houses near the hospital. There are many reasonably priced hotels/guest houses and we will assist you to find out a suitable one as per your budget.

In case you need any assistance, please feel free to contact us.
